Q/S

Subs An analogous case is that of Mr Pullarampalwamy, Assistant Commissioner, who was confirmed with effect from 1st September 1933, though the orders notifying his confirmation was issued on 31st Aug. 1934. The Comptroller having placed him in the revised scales of Asst. Comrs, Mr Pullarampalwamy represented that he may be given the benefit of old scale of pay on appointment. In connection with this representation, the Financial Secretary has noted as under:

"This is not a case in which any special promotion with retrospective effect was sanctioned. His confirmation was ordered in the usual course. There is, therefore, no objection to his being allowed to continue in the old grade".

The proposal of the Financial Secy has been accepted, and orders are now issued separately.

In the present case too, the vacancy was available for confirmation from 15th February 1934 (i.e. before 6.3.34 ~~the date of the Proclamation~~) and Mr. Ramanathaiya was confirmed with effect from 15.2.34 though the notification issued on 31.8.34.

Lays down general rules in regard to the application of the revised scales of pay.

Order No.Fl. 628-87-S & A. 23-34-1, dated Bangalore, the ~~28~~ 23rd July 1934.

The question of effecting a revision of the scales of pay in the various Government departments, with a view to reduce estab-lishment charges has been engaging the attention of Government for some time past. In Government order No.Fl. 5174-5233-G.F.292-33-1-dated 6th March 1934, it was laid down that pending the above revision or until further orders, all appointments of new entrants to Government service and promotions made should be provisional and the pay given liable to revision at the discretion of Government. The revised scales of pay for some departments have been fixed and orders are under issued separately. The revision of the scales of pay in other departments is under consideration.

2. Government consider it necessary to lay down general rules in regard to the application of the revised scales of pay and are pleased t to issue the following instructions in the matter:-

(1). Officers appointed or promoted on or after 6th March 1934, whether substantively or on a non-substantive basis i.e., Provisionally permanent, Temporary, Sub-protem, Acting .,etc.

Only the revised scales of pay will be applicable to ~~them~~ these officers; i.e., they will be treated as having been appointed or promoted to the revised scales of pay from the date of appointement or promotion. The higher pay or salary, if any, drawn between 6th March 1934 and the date of the Government Order sanctioning the revision, will however, not be required to be refunded.

(2). Officers appointed or promoted before 6th March 1934.

Officers holding posts substantively will continue on the old scales of pay and the revised scales of pay will not be appplicable to them so long as they continue in such posts. When they are promoted to higher posts on or after 6th March 1934, the revised scales of pay fixed for the higher posts will be applied to them.

Officers holding posts on a non-substantive basis(i.e.,Provisionally permanent, Temporary, Sub-pro-tem, Acting etc.), will be regarded as having been transferred to these posts on the revised scales of pay from 6th March 1934, tenure of the appointment being the same. Their initial salary in the revised grades will be fixed in accordance with the principles laid down in Article 84, Mysore Service Regulations i.e.,

(a) If the salary drawn on 6th March 1934, in the old grade is equal to one of the stages of the revised grade, the salary will be fixed at that stage and the officer will count in that stage the time during which he has been drawing the said salary, for increment to the next stage;

(b) If the salary drawn in the old grade on 6th March 1934 is intermediate between two stages of the revised grade, his salary will be fixed at the next higher stage provided that he had drawn salary equal to the next lower stage of the revised grade for a period not less than that required to earn an increment;

~~(c)~~ Otherwise, his salry will be fixed at an amount equal to the salary in the old grade on 6th March 1934 and after the expiry of the period equal to the difference between that by which an increment is earned and that for which he has drawn ~~the~~ such salary or the next lower stage of the revised grade, he will drawn the salary of the next higher stage of the revised grade.

(c) If the salary drawn in the old grade on 6th March 1934 is more than the maximum pay of the revised grade, such salary will be continued to him personally, as a special case, so long as he holds that appointment.

(d). In the case of officiating incumbents, the salary in the higher stages of the revised grade will be calculated according to Article 82, Mysore Service Regulations, but such salary will not be less than the salary drawn on 6th March 1934 in the old grade.

In these cases also, the higher salary, if any, drawn between 6th March 1934, and the date of the order sanctioning the revision will not be required to be refunded.

3. After the Government order sanctioning the revision is issued, the head of each department will prepare a statement showing the pay and salary on 6th March 1934 in the revised grade, date of next increment, etc., for each non-gazetted officer, in accordance with the principles laid down above and transmit it to the Comptroller and the head of the office for adoption. The Comtroller will work out similar details in the case of gezetted officers and intimate the same to the concerned officer and the head of the deparment.

4. All cases of doubt will be referred to Government for orders.
